South Dakota Housing Inventory Chart (HIC)

Thank you for your assistance. Please remember that for every bed you count, you <u>MUST</u> answer how many people were IN THOSE beds on the night of the PIT Count, Tuesday, January 26, 2021. For emergency shelter and transitional housing projects dedicated to serving homeless, a completed homeless PIT survey <u>MUST</u> accompany and equal Housing Inventory Chart bed use. For example, if you state six people were in the beds the night of the count, there must be one completed Housing Inventory Chart, and six homeless surveys need to be completed for emergency shelter and transitional housing projects. PIT Surveys should be completed using the Counting Us app, the Counting.us link, or as a last resort a paper PIT survey. PIT Surveys and HIC forms for Domestic Violence projects are all collected by SD Housing Development Authority. If using PIT Count paper survey for projects, please return surveys to your Regional or City Lead Coordinator by Friday, January 29, 2021. If you have questions, please don't hesitate to contact your Regional or City Lead, or call Davis at 773-3445 or e-mail <u>davis@sdhda.org</u>. Thank you for your assistance.

Please return completed Housing Inventory Charts no later than Friday, January 29, 2021. Thank you for your assistance.
