

HAVING TROUBLE PAYING YOUR RENT?

You may be eligible for temporary rental and utility assistance.

Recently, Treasury provided funding to assist South Dakota residents with emergency rental assistance. If you have been financially impacted due to COVID-19, the SD CARES Housing Assistance Program (SDCHAP) may provide temporary rental or utility assistance.

Assistance provided is not a loan and does not have to be paid back. Payment is made directly to the landlord or utility provider on the applicant's behalf. Funding amount is based on need.

Funds can also be used to cover rent and utility arrears due on or after March 13, 2020.
